		1x large stage monitor (if suitable can replace bass amp - this is preferred ***)				
		Music stand with light				
		Access to 220v power point				
RBG travel with:						
		Saxophone, effects, clip on condenser mic, DI, stand for fx				
		Cymbals & Trigger Pad FX (Nord Drum - Stereo) - PLEASE CONTACT IF CYMBALS ARE NOT PROVIDED - This will have to be worked out before travel arrangements are made.				
		Electric bass and bass effects - Nobel Tube DI ***Electric Bass sometimes provided by backline - double-check to see if bass will be brought or needs to be provided.				
Lighting:						
		We're open to lots of different, fun lighting scenarios - just nothing with flashing/strobing lights. If the light is low, we'll need music stand lights so we can read our sheet music.				
Misc:						
		If the performance is outdoors, please provide some kind of clips to stop sheet music from blowing off the stands				
Within Ireland ONLY:						
		Within Ireland we would prefer to use as much of our own gear as possible with the exception of short changeovers.
